CSC116
Discussion 13

Gina Bai

Logistics

- Tuesday
  - Discussion 13 & Project 3
- Wednesday
  - Exam 2 Review & Project 3
- Thursday
  - No Class

- Exam 2 on next Tuesday, June 29
  - Homework 2 on zyBook

Testing Arrays

- Examine
  - array size
  - array contents - whether modified
  - traversal of some, all, none
- assertArrayEquals
  - assertArrayEquals(arr1, arr2, "message");
  - Object → 1d array or multiple-dimensional array
  - Primitive data type → 1d array

Project 3 – Series Calculator

- Due June 30th

- while loops
  - Check user input (Lab 10)

- for loops
  - Perform mathematical calculation

Project 3 - Series Calculator - due 06/30/2021 at 11:45pm via Moodle

Project instructions are available at: https://pages.github.ncsu.edu/engr-csc116-staff/2021-summer/projects/project3/index
